

Silverton

230V/50Hz | 60 Watt

Experience Better Living

Freestanding

Do you cherish your existing fireplace or stove but make no use of it? The Silverton is a smart and compact electric fire, designed to revive your wood or gas fire. Thanks to its glowing logs, its flames and smoke coming from cold water vapour and LEDs, enjoying your fireplace can be a comfortable and lasting experience, again.

- Compact freestanding fireplace
- Also suitable as an insert for inoperative fireplaces
- Glowing LED logset with loose logs for individual decoration
- Includes a glowing fire bed for under the fire basket

All-round view

Surprising by the floating flame and smoke effect and variable flame intensity

Enjoy the unique charm of a fireplace 365 days a year using the flames without the heat

Optimyst flame technology, flame patterns by cold water vapour

Flames and lamps use energy-efficient LEDs that require no maintenance and can burn separately

Control all functions of the fireplace from the comfort of your chair

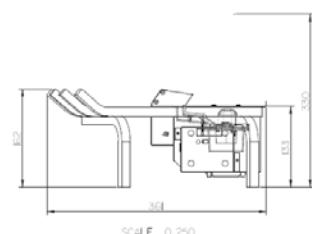

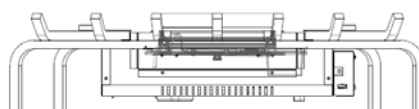

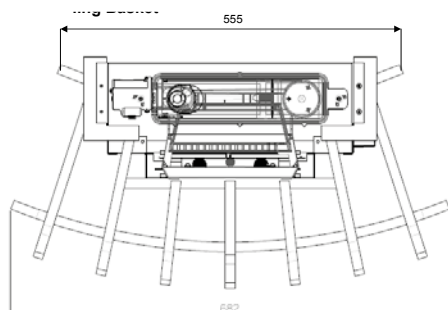

Easy to connect to a standard socket for instant atmosphere
